# PRIVY COUNCIL.

There was a meeting of the Privy  
Council of State at the Iolani Palace  
on Saturday last. The Hawaiian  
Hotel Company was granted a  
charter. Pardons were granted to  
the following prisoners: Russell  
Germaine, S. Erickson, Friday a  
native, and two Chinamen. Ger-  
maine was spared two months of a  
two years' sentence for robbery, and  
he left on the steamer Mariposa that  
day. Friday had served ten years  
for manslaughter, and one of the  
Chinamen was paralyzed. The Privy  
Council passed resolutions of con-  
dolence to His Majesty and the  
widow and relatives of the late Hon.  
P. Kanoa.

# DEATH OF A UNION SOLDIER.

An American citizen named John  
W. Ramey, who had served his  
country in an Ohio regiment during  
the rebellion, died of consumption,  
at his residence on Richards street,  
on Monday the 9th inst., and was  
buried the following day. He had  
lived in Honolulu for some time, and  
has left a son and daughter in the  
United States. Although he was  
not a member of the Grand Army of  
the Republic, and hence not entitled  
to burial by that organization, yet the  
Geo. W. DeLong Post, of this  
city, out of respect and sympathy  
for a fellow-soldier dying in a strange  
land, took charge of the funeral and  
escorted the remains to the Nuuanu  
cemetery. An advertisement of the  
American Consul-General, respect-  
ing the pecuniary affairs of the de-  
ceased, appears in this paper.

# REPORT OF THE MOKOLII.

Capt. McGregor, of the steamer  
Mokoli, has kindly furnished the  
following report of that steamer's  
trip in search of Brooks: On the  
morning of Nov. 17th the steamer  
Mokoli was ordered to go in search  
of a missing boat belonging to her  
and a man by the name of Brooks,  
who was steward of the steamer  
Likelike, of the same steamship  
company. At 10 a. m. the engineer  
reported all in readiness in his de-  
partment and nothing else was left  
to do but cast off and get under  
way. After leaving the Spar Buoy  
the course was W. by S. for one  
hour, then W. S. W. for 50 minutes,  
when the captain discovered the  
boat right ahead with a man in  
it. At 12 o'clock the man Brooks  
and the boat were safely on board,  
and the schooner Caterina and others  
interested in the search were noti-  
fied by the signals. The Mokoli  
arrived at her berth at 4 p. m.

# FIRE AT KILAUEA.

The plantation bell sent forth an  
alarm last evening about 7 o'clock,  
which induced everybody to turn  
out. From an illumination in the  
skies it was self-evident there was  
a fire, which proved to be in Mr.  
Macfie's dwelling house. The family  
had just partaken of dinner when  
they were surprised by a China boy  
rushing in crying out, "Fire." Mrs.  
Macfie looked to her children, while  
Mr. Macfie immediately repaired to  
the scene of the fire, when he found  
the roof in full blaze. In a few  
moments afterwards nearly every  
luna and man on the plantation were  
there, and each and everyone set  
about the work before them in a  
businesslike manner. In less than an  
hour the flames were subdued, the  
fire having been confined to the  
kitchen and adjoining room. It hap-  
pened the fire broke out on the lee  
side of the house, otherwise the  
whole building would have been  
swept away, as a smart breeze pre-  
vailed at the time. Too much praise  
cannot be accorded to everybody  
who took part in the work to be  
done, and which they accomplished  
successfully. The premises, I un-  
derstand, are insured and the damage  
is covered by insurance in the Sun  
Fire Insurance Co., G. W. Macfar-  
lane & Co., Agents.  
Kilauea, Kauai, Nov. 14th.

# GOVERNOR KANOA'S FUNERAL.

The late ex-Governor of Kauai,  
Paul Kanoa, K. C. K., K. C. H. and  
Member of the Privy Council, was  
buried with military honors on Sun-  
day afternoon. Besides the mili-  
tary companies, there was a large  
attendance, consisting, for the most

part, of natives. The military were  
commanded by Major R. H. Baker,  
and lined the street along the route  
from the church to the cemetery  
gate. A funeral service was con-  
ducted within the Kawaiahae Church  
by Rev. H. H. Parker. The pro-  
cession from deceased's residence to  
the church and thence to the ceme-  
tery was accompanied by the Royal

hymn tunes. Following is the order

# GRANT.

BY E. L. KEYES, LATE LIEUTENANT  
FIFTH CAVALRY.  
I think it were better to do it all over  
In the way that would suit our old  
chieftain the best:  
A bunk overpiled with West Point's  
purpled clover,  
With his old mater Hudson to soothe  
his last rest.  
A plain, simple slab of Galena's grey  
granite.  
Then the name which all ages forever  
must know;  
Three stars cut above forming Valor's  
proud planet,  
And a little old bell-button cut just  
below.
